INCLUSION

- Theory : easy
- Practice : every situation is different
 - We create a **template** for an activity,
We put into **practice**
We **share** experiences
- Technical aspect of sport = secondary
- Use **sport as a means** to achieve something = primary

THE POSSIBILITIES

90% Today: Prisons organise, **NO** link to the outside

Easy innovation: Clubs and federations come inside for a game, tournament,...

Advanced innovation:

Countries and Cities support e.g. sport clubs to take & be part of sport in prison
